INSTRUCTIONS

1. Wipe a damp sponge over the entire piece to remove dust and contaminants.
2. Trace the pattern onto the tissue paper with a pencil.
3. Place the tissue paper over the pottery and trace over the pencil lines with a water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.
4. Paint 3 coats of Safari in the center of the sun.
5. Alternating Orange Juice and Red Rocks, paint 3 coats of each color on the sun rays.
6. Paint 3 coats of Kiwi on the top of the hill.
7. Paint 3 coats of Grasshopper on the middle of the hill.
8. Paint 3 coats of Christmas Tree on the bottom of the hill.

TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
